

Red Beans and Rice

Ingredients

1/2 pound Smoked Sausage
1 can Red Beans
Cumin
Salt and Pepper
1 cup Instant Rice

Directions

Slice sausage, Heat beans and sausage, add cumin, salt, and pepper to taste (just a few shakes!). Cook the instant rice, when rice is done, stir in with beans and sausage and serve!

*We like to eat this with vinegar in it to make it soupy (and on occasion add hot sauce!)
